

FOR IMMEDIATE RELEASE

NEW WEEKEND SCHEDULE

For over 50 years Billings Trap Club has been open for public practice **every Sunday of the year.**

Beginning Saturday, January 7, 2006, the regular weekend public practice day **will be moved to Saturday.**

As always, the Club will open at Noon and if Shooters arrive by 1:00 pm the range will open and remain so as long as anyone wishes to shoot. If no one shows up to shoot by 1:00 pm, the Club will remain closed for the day.

The Huntley Trap Club is located 10 miles east of Billings Trap Club and **is open on Sundays.** By switching our Public Practice time to Saturday we hope to better serve the Trapshooting community allowing shooters to practice on both Saturday and Sunday every weekend of the year!
